

Leading Teaching and Learning Support system

Integrated Wellbeing, Learning and Attendance management
– driving deeper engagement for learning

Improve decision making through rich insights to
increase school performance and student outcomes

Everything your
school needs,
in one place

Workflows that
reduce admin time
for everyone

A system that
engages your whole
school community

Local support
that's there
when you need it

“

SEQTA has become one of the most powerful tools used in our school. It's the first port of call for my lesson planning, mark book, absence resolution, wellbeing and reporting.”

Jarrod Lungley, ICT Coordinator/Community Key Teacher
Hope Christian College, South Australia
